Photographs

Our school photographer came into school today to take class photographs of the children. Proofs will be sent home as soon as they arrive in school. Please return the order form and payment to your child's teacher.

School Money App

As we are now a cashless school, we will be accepting contributions via our **School Money** app. If you have already set up your **School Money** account, whenever payments are needed (for school trips or visitors) you will be sent a 'payment request' via **School Money**, simply make your payment with a credit/debit card. If you have not yet activated your **School Money** account, please do so as we no longer accept cash in school and any future payment for trips or events etc. can only be paid for via your **School Money** account. Please contact the school office if you need another activation link texting to your mobile in order to set up your account.

School Nurse Drop-ins

The School Nurse will be offering a drop-in service for parents to give advice and support around their children's health. The School Nurse can offer advice and support on anything to do with your child's physical and emotional health. You can talk to her about health conditions such as asthma, epilepsy, allergies or other concerns like keeping a healthy weight or emotional worries. The first session will be held in school on Tuesday, 11th May commencing 9.00am. This is usually a non-appointment, drop in service but due to Covid-19 restrictions will have to be in the form of an appointment system. If you wish to book an appointment, please contact the school office on 01744 678330 to arrange a time slot.

Premier Sports

Last Friday, our KS2 children engaged in PE lessons run by Premier Sports. They sampled a number of different sports and fitness activities that the company have to offer and the sessions fitted in nicely with our continued efforts to promote health and fitness and physical and mental wellbeing.

Safety

Please do not walk down the driveway when arriving or leaving school. We have a fifteen minute drop off/pick up time that allows for social distancing. Please keep the driveway for cars not pedestrians.

Star Outside School

Tilly Y4D

Tilly helped bake cupcakes and sold them to family and friends. She raised £50 for comic Relief.

We are always delighted to share the children's success outside of school. Please ensure that we receive the information by Wednesday so that we have time to include it on Friday's newsletter. Thank you. (Any information received after Wednesday will appear on the following week's newsletter)

Feedback- We appreciate your feedback and would welcome any comments to help us make our school even better.

Lost Property

Every year we accumulate a substantial amount of lost property and, as a result, this year it will be donated to a local charity every two weeks. May I please remind everybody that if clothing is clearly labelled then this would significantly reduce the amount of lost property.

Uniform

Uniform can be ordered from the school office. Our uniform policy requires the children to wear school shoes rather than trainers. We would also ask that extreme/fashion haircuts and decorative hair bands be left for holiday times. Thank you for your co-operation and support.

****IMPORTANT NOTICES****

Legh Vale School is a non-smoking site. For health and safety reasons we would like to ask that parents refrain from smoking when dropping off/picking children up from school. This includes electronic cigarettes. We would also like to politely ask that parents do not bring dogs onto the premises. Thank you.

Bicycles and Scooters

Please be aware that if you travel to school on a scooter or bicycle then it is in the interest of public safety that you dismount when within school grounds.

Numbots

Good news: due to its success and impact, Legh Vale has paid for a subscription meaning your child can access Numbots from home for the remainder of the academic year.

Times Table Rockstars and Mathletics (Y5/Y6) can also be accessed from home.

The password for Numbots and Rockstars is the same.

Parking

Please do not park within 10 metres of the give way markings at the chicanes junction on Wagon Lane. Enforcement by the police will be taking place.

Please be aware that for health and safety reasons parents cannot park on the school car park. We would ask parents to park responsibly and considerately around the entire school site. Holyrood Nursery driveway is not to be used for parking as this prevents access and is dangerous. We would also ask you to respect local residents by not parking across their driveways and blocking their access. Also, could parents not park cars obstructing the pavements close to school as this causes a hazard to pedestrians particularly those with push-chairs/buggies etc. Thank you for your co-operation

KS2 Dinner Money

Just a reminder that dinner money is £12.25 per week - £2.45 per day.

***School Online Payment System ***

We have introduced a new online payment system called **SCHOOLMONEY** which will allow you to pay for all school related items (school dinners, trips etc.) online using a debit/credit card. You should have received a text message which contained a password for logging onto the **SCHOOLMONEY** website.

This password will give you access to your **SCHOOLMONEY** account. You can then begin to make online payments to school. This new payment system will benefit both us as a school and you as a parent. Not only will you be able to pay for items from the comfort of your own home, but you will also be able to access your account at any time to see if there is anything you need to pay for. A letter has been uploaded onto our school app under LETTERS/INFORMATION giving full details on how to access your account. However, if you are unable to access the letter, copies are available from the school office. **REMINDER: if you pay for your child's school dinners, PLEASE DO NOT SEND DINNER MONEY as the office is no longer accepting cash.** If you experience any problems setting up your account or making payments, please contact the school office.

Contact Details for Parents/Carers

Please ensure that school has your latest contact details as we will use these details when staff need to contact you about your child. Thank you.

Email communication

Please be aware that although the school office email is checked regularly, if parents have urgent queries it is better to contact school by telephone.

Holiday Dates

To support parents, holiday dates for 2021/2022 are now available on the school website.

Jewellery

Jewellery, such as bracelets and rings, is not part of our school uniform and should not be worn or brought into school. This will help to avoid any unfortunate accidents and keep the items secure. Thank you for your co-operation.
