Nursery

To make our Easter cards children cut the painted eggs they made last week and assembled them onto card with a little chick. We used split pins to attach the top of the egg and the little chick peeps out. All the children watered the sunflower seeds and were amazed as they saw them begin to grow.

We have been reinforcing the sounds from previous weeks: m,a,s,d,t,i,n, p and g. The sounds that we have focused on this week are: 'o': all around the orange and 'c': curl around the caterpillar. Children are really good at listening to instructions and are attempting to form the letters we have learned. The children have been writing their names as they enter Nursery. It would be very helpful if you could encourage your child to practise writing their name at home. The children are still enjoying role playing The Three Little Pigs, pretending to be the wolf or a pig. They chase each other around the Nursery garden to the different 'houses'. Inside they build with straw, sticks or bricks.

Next week we will be sending home their sunflowers for you to care for at home.

Could you please continue to help your child to practise fastening their own zips on their coat.

Next week's sounds is 'k': down the kangaroo's body, tail and leg. This is a tricky letter to write.

Star of the Week

Star Outside of School

Clothing in Nursery

- * Please send your child to Nursery in either school uniform or old clothing. It is likely that your child will get messy during the Nursery session as we have access to pens, paint and the muddy/wet outdoor environment.
- * It is essential that the children have a spare change of clothes (including underwear) available in Nursery at all times. This can be stored in a clearly labelled bag on your child's coat peg. As we have access to our outdoor play environment during all weather conditions, we would like to ask that the children bring a coat or light jacket into Nursery every day. It is also beneficial if your child wears shoes and a coat that they find easy to take on and off.
- * It is **essential** that all clothing, is labelled with your child's full name (**especially coats, uniform, jumpers and shoes**). This will help us to ensure that any missing items of clothing are quickly returned to their correct owners.

****IMPORTANT NOTICES****

Legh Vale School is a non-smoking site. For health and safety reasons we would like to ask that parents refrain from smoking when dropping off/picking children up from school.

This includes electronic cigarettes.

We would also like to politely ask that parents do not bring dogs onto the premises. Thank you.

Bicycles and Scooters

Please be aware that if you travel to school on a scooter or bicycle then it is in the interest of public safety that you dismount when within school grounds.

Let's Stay Safe

Home time is a very busy period in the school day.

Please be aware that as your child's key worker dismisses your child from group, it is then your responsibility to supervise your child at all times as you leave the school grounds. By working together we can ensure that the safety of all children remains a priority.

Many thanks.

Parent App

If you have not already done so please download the app Parentapps Connect, which allows us to communicate with parents via text message/push notifications. The Parentapps Connect App will also provide you with instant access to term dates, event information, newsletters, secure documents, our website and much more. The App is fully secure and GDPR compliant and in order to access it you will need to be invited via text message. In order for us to be able to contact/communicate information to you via our messaging system please call into the office to fill in your details. You will then receive a text message from us inviting you to download the app.

Home/School Communication

Contact Details for Parents/Carers

Please ensure that school has your latest contact details as we will use these details when school staff (including health staff who work in school) need to contact you about your child. Thank you.

Email Communication

Please be aware that although the school office email is checked regularly, if parents have urgent queries it is better to contact school by telephone.

Holiday Date

To support parents, holiday dates for 2021/2022 are now available on the school website.

Medicines

Please inform your key workers if your child requires any inhalers/medication during school time. It is extremely important that medicine forms are filled in and signed by parents and that all medication has a pharmacy label with your child's name on.

Thank you.

School Site

For Health and Safety reasons, children are not allowed to return to school after home time and play on the school site. We also politely ask that children are not allowed to play on our Nursery/Reception equipment before and after school.
