## Attendance Awards

Well done to all children who have achieved good school attendance. As you know we always promote good school attendance so each term we give out attendance reward certificates. This term's certificates were given out during our final assembly.

## House Points Winners KS2

Congratulations to all children in Evans who have won this term's house points competition.

## Y5/6 Athletics

Recently, a group of children represented the school at the St. Helens Athletics Championships. After solid performances from all our athletes on the track and in the field, Legh Vale pupils were awarded first place in their afternoon heat and received a gold medal for their efforts. All of the competing schools' results from both the morning and afternoon events were then collated to see which school would be crowned overall winners. We are delighted to share with you that Legh Vale were announced as St. Helens Champions, 2022/23. Additionally, this year's team has managed to continue a 14 year winning streak. Well done, children.
