## Nursery

Over the last two weeks in Nursery the children have celebrated the Coronation of King Charles the Third by having a party, making crowns and colouring flags. It was lovely to see all the children dressed in red, white and blue. We reinforced our learning of 2D shapes and found different shapes in the environment, indoors and outdoors. We have discussed 3D shapes using mathematical vocabulary.

After reading the Three Little Pigs the children role-played the story in the garden and with each other in small groups. Each child told their Key Worker the story and drew a picture of the characters. We discussed various objects in the setting then sorted them into different material groups, wood, sticks, straw and bricks.

In the garden we continued to enjoy developing our physical skills of balancing, as well as aiming and throwing.

Thank you to all the parents and carers who have sent in objects beginning with our sounds of the weeks. Some objects we have found in Nursery are:

Letter, lion, horse, hat, hexagon.

**Our sounds for the next two weeks are 'r' and 'j'.**

### **Medicines**

Please inform your key workers if your child requires any inhalers/medication during school time. It is extremely important that medicine forms are filled in and signed by parents and that all medication has a pharmacy label with your child's name on.

Thank you.

### **Bicycles and Scooters**

Please be aware that if you travel to school on a scooter or bicycle then it is in the interest of public safety that you dismount when within school grounds. Bicycles and scooters are not to be left on the school grounds for health and safety reasons.

### **\*\*IMPORTANT NOTICES\*\***

Legh Vale School is a non-smoking site. For health and safety reasons we would like to ask that parents refrain from smoking when

dropping off/picking children up from school.

This includes electronic cigarettes

We would also like to politely ask that parents do not bring dogs onto the premises.

Thank you.

### **Elephants have Wrinkles**

### **Parking**

Please be aware that for health and safety reasons parents cannot park on the school car park. We would ask parents to park responsibly and considerately around the entire school site. Holyrood Nursery driveway is not to be used for parking, as this prevents access and is dangerous. We would also ask you to respect local residents by not parking across their driveways and blocking their access.

Thank you for your co-operation.

### **\*IMPORTANT NOTICE\***

If your child has an episode of sickness or diarrhoea, it is essential that you do not send your child into school for at least 48 hours from the last period of illness. Thank you for your co-operation.

### **Home/School Communication**

#### **Contact Details for Parents/Carers**

Please ensure that school has your latest contact details as we will use these details when school staff (including health staff who work in school) need to contact you about your child.

#### **Email Communication**

Please be aware that although the school office email is checked regularly, if parents have urgent queries it is better to contact school by telephone.
